COMBINED FEDERAL CAMPAIGN

ANNUAL REPORT

2015

As the chair of the 2015 Combined Federal Campaign, I would like to thank each and every keyworker, agency leader, loaned associate, and last but certainly not least, the donors. Together we raised over \$325,000 to support charities of your choosing. You have made it possible for cancer research to continue, for shelters to feed the homeless, for less-fortunate families to remain together, and so much more.

ERNEST TAFOYA

Deputy Garrison Commander
Hunter Army Airfield
